*Plants and materials are personally selected and purchased by me to ensure the highest quality of products and are estimated separately from design and installation work.

**Installation is separate from design and is billed by the contractor hired to do the work. 15% of the contractor's total bid is charged for creative oversight and completion of the project to the client's satisfaction.

VIRTUAL/REMOTE DESIGN SERVICES

All design packages are available for remote or "virtual" design services, with the understanding that exact measurements cannot be guaranteed by the designer unless they are provided by the client or a professional surveyor. Meetings will be conducted via Zoom or Facetime. If travel to the site is required, a separate travel expense contract will be negotiated.
